

## FLIGHTLINE FOR RESELLERS

Simplify the network of federal procurement and reselling with a solution that enables you to see, sell and scale more. Flightline provides the best in marketplace management to optimize contract portfolios across suppliers, distributors and agencies.

## THE FLIGHTLINE DIFFERENCE

Streamline the path to government sales with simplified search to increase your exposure, efficient compliance and EDI connectivity.

### A SPOTLIGHT TO SCALE.

The Flightline Marketplace app helps you step forward to scale upward, enabling agency-wide visibility for your product portfolio without changing the way you work.

### CONFIRM CREDIBILITY WITH CONTRACT VISIBILITY

Display your government awarded contracts to highlight your proven performance. The Flightline Marketplace App creates a smarter and simpler selling mechanism to government agencies so they can see your contracts and contract with you more efficiently.

### EXCELLENCE THROUGH EDI

Flightline's EDI backbone infuses efficiency throughout the supply chain and ensures best practices for complex procurement and compliance.

### LOW INPUT, ALL RETURN

With no technical expertise needed and no upfront fee, your ROI is all return and no initial investment. The Flightline Marketplace and Command Center apps reduce the risks while magnifying the rewards of compliant government selling.

## FLIGHTLINE MARKETPLACE CONNECTED USERS

Flightline Command Center app enables marketplace management and streamlined control throughout procurement, SKU management, retail fulfillment, shipping and payment management.
